Government Proceedings No. 3490—Mis. 292, dated 12th September 1899, passing orders on the pension application of Shamanna, retired shekdar of Sasvi hobli, Honnali taluk.

(2) Comptroller's letter No. 2035, dated 6th October 1899, recommending a reconsideration of the Government Order read above on the ground that the term "qualifying service" occurring in Article 321 (*a*) of the Mysore Service Regulations, if interpreted in the light of the said Government Order, would render the operation of Article 322 altogether impracticable.

No. 4681-82—G. F. 14-99, DATED BANGALORE, 14TH SEPTEMBER 1901.

ORDER THEREON—Government, on reconsideration, are disposed to agree with the Comptroller in thinking that the deduction to be made under Article 321 (*a*) for the purpose of Article 322 should be computed with reference to age at commencement of the superior service for which the pension is granted and not that at the first entry into service.

2. This Order, while modifying the Proceedings read above, will not affect the pension already sanctioned for Shamanna.

RECEIPTS.

The receipts for 1901-1902 are estimated at Rs. 2,515 against Rs. 1,360 for 1900-1901 The bulk of the increase is expected from the work of the Pottery Class which includes the Tile Industry The other items of income are slightly raised with reference to the realizations of 1899-1900.

EXPENDITURE.

(2) The estimated expenditure for 1901-1902 is Rs. 16,649 against Rs. 16,519 for 1900-1901.

(3) The estimates under the heads V. Contingencies, VI. Wages of Temporary Establishment, VII Establishment, and VIII. Night Classes are the same for the current as for the past official year.

(4) The provision for I. Machinery and Tools for 1901-1902 exceeds the provision for 1900-1901 by Rs 8, and the difference in details between the two years is due to a re-distribution of the amounts under the head according to the requirements of the current year.

(5) The provision under II. Materials is reduced from Rs. 3,300 to Rs. 3,100, Rs. 100 being considered sufficient for cane, bamboos, &c., for the current year against Rs. 300 for the last year.

(6) The provision under III. Scholarships is raised from Rs. 3,300 to Rs. 3,672, the increase being due to scholarships amounting to Rs. 540 a year sanctioned for the apprentices in the Mysore Artware Manufactory, by Government Order No. 10950-1—Ed. F. 4-96, dated the 20th February 1901, and to the amount for the scholarships tenable in the Industrial School being reduced from Rs. 2,400 to Rs. 2,232 according to the number and rate of scholarships fixed by Government Order No. 2394-95—Ed. 93, dated the 17th August 1900

Accordingly, house-rent at Rs. 50 a month is provided for only three months As at the same time sheds have to be erected for the accommodation of the Carpentry, Pottery and Tile Departments, in the premises of Balaram Singh's bungalow, the amount for constructing sheds is raised from Rs. 350 to Rs. 600. There is thus a net decrease of Rs. 200 under the head IV Rent, &c.

It was further resolved that the recommendations made to Government in previous years, to increase the pay of the Superintendent, be renewed this year. I shall address Government on these points in a separate communication.

No. 4276-77—Ed. F. 4-96, DATED BANGALORE, 6TH SEPTEMBER 1901.

*Letter No. 105, dated 20th August 1901, from the Principal, Central College, Bangalore.*

The Hostel was opened on the 1st February 1901 and the numbers admitted as boarders rapidly increased from an average of 31½ in the first week to 75 in the last week of the month of February. Since which time the numbers have continued to increase until at the end of July all the 48 rooms were occupied, 41 of them having two students each and 7 of them one student each, paying rent for the whole room. Of these 89, only 12 are non-Brahmins, that is, 13·5 per cent; while in the College and the High School the number is 18·4 per cent. The number of applications from Brahmins was so great and

from non-Brahmins so small that the Brahmin block containing 24 rooms was speedily filled and I had to allow the overflow to occupy the vacant rooms in the non-Brahmin block. But this has not been done so as to prevent any non-Brahmin applicant from being admitted.

The average numbers on the roll from the months of February to July 1901 have been as follows —

| | | | | | |
|---|---|---|---|---|---|
| February | .. | .. 63·9 | May | .. | .. 87·0 |
| March | .. | 85·5 | June | .. | . 83·7 |
| April | .. | . 87·0 | July | .. | .. 87·4 |

The boarders are distributed among the different classes of the College and High School as follows:—

| | | | | | |
|---|---|---|---|---|---|
| Senior B. A. | .. | . 13 | Form VI | .. | . 11, others 4 |
| Junior B. A. | .. | .. 11 | Form V | .. | .. 4 |

| | | | Grand Total | | .. 89 |

The Hostel was started under the management proposed temporarily in my letter to Government No 357, dated 31st January 1901, with Mr S *Krishnasawmi Iyengar*, M. A., Assistant Master, as Superintendent of the Hostel with an allowance of Rs 40 per mensem, and B. Rama Rao as Manager on a pay of Rs 30 per mensem, but experience shortly proved that the work was too much for Mr. Krishnasawmi Iyengar in addition to his duties in the High School of the College, seeing that he was not able to reside on the premises and he fell sick of fever about the 6th April 1901. B. Rama Rao was found to be unequal to the post of Manager so that I had him re-transferred to his appointment in the City Municipal School, at the expiry of the three months for which his services had been asked by me from the Municipal School, *viz.*, 16th April 1901 that was a week before the College closed for the hot-weather vacation. During the vacation students were not allowed to board in the Hostel, as extensive alterations were required to be made to the Brahmin kitchen and dining rooms as explained in my letter No. 559, dated 26th April 1901, and students were merely charged rent for the rooms for the month of May. During that month I requested Mr. V. N. Narasimha Iyengar, Palace Controller, to permit the transfer for one year (in the first instance) of Mr. B Venkatadasappa, who had some years' experience as Superintendent of the Ursus Students' Home in Mysore, as Superintendent of the College Hostel on a pay of Rs 60 per mensem, the College writer getting an allowance of Rs. 10 per mensem for assisting with the clerical work of Hostel accounts, &c, and I have thus far every reason to be satisfied with the new arrangement

The following is an abstract of the income and expenditure for the six months, February to July 1901 —

| *Income.* | Rs. a. p. | *Expenditure* | Rs. a. p. |
|---|---|---|---|
| February | 919 12 0 | February | 979 5 10 |
| March | 759 14 0 | March | 1,102 8 7 |
| April | . 839 5 0 | April | 818 11 7 |
| May | .. .. | May | 111 0 0 |
| June | 856 11 0 | June | 814 0 6 |
| July | 779 5 3 | July .. | 981 4 2 |
| Total ... | 4,154 15 3 | Total | 4,806 14 8 |

showing total receipts from fees, &c, exclusive of Government grant, Rs. 4,154-15-3, and total expenditure for all charges including establishment to be Rs 4,806-14-8, if to the former be added the Government grant of Rs. 158 per mensem as sanctioned from 16th January to 31st July Rs 1,029-8-9, the total receipts are Rs. 5,184-8-0, showing a balance at credit of Rs 377-9-4.

From the statement of July income and expenditure (income Rs. 937-5-3 inclusive of the Government grant for establishment, Rs. 158, and expenditure Rs. 981-4-2, which gives a deficit of Rs 43-14-11) it was evident that we could not go on without raising the boarding charges from Rs. 7 to Rs. 8, which I understand is the usual charge in the students' hotels in the City; and accordingly I have raised the charges to that figure from the 1st August last. This is only in accordance with the last sentence of the Government Order that I should endeavour to make the fees realised defray all expenses including the establishment charges But even with this increase of charge I do not believe that it will be possible, for some time at all events, to defray all charges without the continuance of the Government grant and I would solicit the Government to be good enough to continue the same grant to the end of the present calendar year on the understanding that I shall again

report at the end of that time whether the amount of the grant may not be reduced for the following year as judged by the whole experience of the present year.

In any case it appears to me that the Hostel should be regarded as an integral part of the whole Institution, the Central College, and that in accordance with the general practice in the case of College Hostels in other parts of India, the Superintendent should be regarded as one of the regular staff of the Institution and successful superintendence of such a Hostel regarded as certainly no less valuable than class tuition and therefore worthy of liberal remuneration. The responsibility of watching the health and moral conduct as well as the housing and feeding of such a large fraction of the young College students cannot be over-estimated and if the present Superintendent proves to be as trustworthy and satisfactory as I have every reason to anticipate, I trust that the Government will be disposed to agree with my proposal that at the end of his year's probation he may be transferred to the regular staff of the College and paid more liberally than he is at present.

No. 4355-57—Ed. 110, dated Bangalore, 9th September 1901.

Order thereon—Government note with satisfaction that the Hostel has so soon become popular and is being highly appreciated. A grant of Rs. 158 a month for a further period of one year (1901-1902) has already been sanctioned, and the Principal is free to utilize it for making up the deficit, if any, from the receipts from fees, &c. The question of discontinuing the grant and of transferring the Superintendent to the permanent establishment of the College, is reserved for further consideration and will be dealt with on receipt of a report on the working of the Hostel for the 12 months ending with 30th June 1902.

*Proceedings of the Government of Mysore,*

READ—

*Letter No. 1481—38, dated the 21st August 1901, from the Registrar of the Chief Court of Mysore, to the Secretary to the Government of Mysore, General and Revenue Departments.*

With reference to the Proceedings of Government No. 1344-46—J. 132, dated the 25th ultimo, *re* the transfer of the civil jurisdiction over the Bowringpet taluk, I am directed to forward a draft Notification for the approval of Government and for publication in the *Mysore Gazette.*

For the disposal of cases connected with the Kolar Gold Fields, the Munsiff of Kolar will sit periodically, say two days in the week, on the Fields, utilizing the travellers' bungalow for the purpose.

As regards the establishment, I am to submit the following proposals for the approval and sanction of Government.

The present establishment of the Special Magistrate and Munsiff is as under:—

| | Rs. | | Local allce. Rs. |
|---|---|---|---|
| 1 Head Munshi ... ... ... ... | 40 | + | 10 |
| 1 Court Clerk and Interpreter ... ... ... | 35 | + | 10 |
| 1 Deputy Munshi ... ... ... | 30 | + | 10 |
| 1 Nazir ... ... ... ... | 25 | + | 10 |
| 1 Record-keeper ... ... ... ... | 25 | + | 10 |
| 1 2nd Clerk ... ... ... ... | 20 | + | 10 |
| 1 3rd Clerk ... ... ... .. | 20 | + | 8 |
| 2 Gumastas at Rs. 15+8 ... ... ... ... | 30 | + | 16 |
| Menials. | | | |
| 1 Gollar ... ... ... ... | 8 | + | 2 |
| 1 Dafadar ... ... ... ... | 8 | + | 2 |
| 3 Peons ... ... ... ... | 7 | + | 2 |
| 1 Sweeper ... ... ... ... | 7 | + | 2 |

On a consideration of the proposals submitted in the matter of establishment by the Special Magistrate and the Deputy Commissioner of Kolar, the Judges consider that, as a tentative measure, the following establishment may be allowed for the Special Magistrate's Court:—

| | Rs. | | Local allce. Rs. |
|---|---|---|---|
| 1 Head Munshi ... ... ... ... | 40 | + | 10 |
| 1 Court Clerk and Interpreter ... ... ... | 35 | + | 10 |
| 1 Deputy Munshi and Lock-up Clerk... ... ... | 30 | + | 10+5* |
| 1 2nd Clerk ... ... .. ... | 25 | + | 10 |
| 2 Gumastas at Rs. 15+8 ... ... ... ... | 30 | + | 16 |
| Menials. | | | |
| 1 Dafadar ... ... ... ... | 10 | + | 2 |
| 3 Peons at Rs. 7+2 ... ... ... ... | 21 | + | 6 |
| 1 Sweeper ... ... ... ... | 7 | + | 2 |

* Lock-up allowance.

An allowance of Rs. 5 to the Deputy Munshi for lock-up work and an increase of Rs. 2 to the dafadar who has also to do the work of a mutchi, are provided for as recommended by the Special Magistrate. The increase of Rs. 7 may be met from the local allowance (Rs. 10+10+8=Rs. 28) now drawn by the remaining three hands, namely, the Nazir on Rs. 25 and two clerks on Rs. 20 each and which will be set free by the transfer of these officials to Kolar. The establishment of that Munsiff thus strengthened will, it is considered, be able to cope with the increased work.

The gollar on Rs. 8+2 may be made a process peon of the 1st grade on Rs. 8 and added on to the process establishment of the Kolar Gold Fields Court which will be transferred to Kolar.

When the Kolar Munsiff proceeds to the Fields for the disposal of cases, he will take with him one or two officials as may be necessary.

A proposition statement showing the present establishments of the two Courts and as proposed, resulting in a saving of Rs. 480 per annum, is herein enclosed.

Memo No. 3922, dated the 9th August 1901, from the First Assistant to the Resident in Mysore, forwarding a copy of the following letter No. 2245-C, dated the 18th July 1901, from the Government of India, Military Department, to the Adjutant General in India:—

"I am directed to acknowledge the receipt of your letter No. 1726—D, dated the 11th June 1901, recommending that Commanding Officers should be empowered to grant shooting passes up to 14 days to thoroughly reliable men in the rank and file, as well as to warrant officers and sergeants. It is proposed in the case of private soldiers to confine this concession to those in possession of one good conduct badge.

(2) It is stated that His Excellency the Commander-in-Chief is of opinion that the restriction contained in paragraph 24 of the Shooting Pass Rules, which limits the grant of shooting passes to the rank and file to a maximum period of seven days, bears hardly on old soldiers of good character, who, His Excellency thinks, may be trusted to observe the general rules on the subject.

(3) In reply, I am to say that the Governor General in Council accepts His Excellency the Commander-in-Chief's proposal that shooting passes for 14 days may be issued to Non-Commissioned officers and men, subject to the condition that passes will only be granted to those possessing two good conduct badges. It is requested that the necessary draft correction to the 'Rules relating to shooting and grant of shooting passes' may be submitted."

I have the honor, with reference to Government Order No. 164—J. 13 of 4th July 1901, para 2, to say that I think if Rule 14 of the New Mark Rules be worded as follows, there will no longer be any room for doubt as to the intention of Government :

"The award of *ordinary* marks shall be made either by the Superintendent himself or, under his orders, by the Deputy Superintendent, Jailor, Deputy Jailor, or, by any officer specially empowered in that behalf by the Inspector General. The Superintendent shall be personally responsible for the correctness of the award by whomsoever it shall have been made.

The award of *special* marks shall be made only by the Superintendent or the Inspector General."

No. 4733—J. 313, DATED BANGALORE, 14TH SEPTEMBER 1901.

ORDER THEREON—The suggestion of the Inspector General is approved. The following Notification will be published in the *Mysore Gazette* :—

*Letter No. 117, dated the 12th August 1901, from the Inspector General of Registration in Mysore, to the Secretary to the Government of Mysore, General and Revenue Departments.*

I have the honor to annex in the margin a statement showing the number of registrations, receipts and expenditure of the 2nd Grade Sub-Registrar's office at Krishnarajpete for the years 1899-1900 and 1900-1901.

| Year. | Number of registration. | Receipts. | Expenditure. |
|---|---|---|---|
| 1899-1900 ... | 1,423 | 2,630 12 0 | 1,025 2 8 |
| 1900-1901 ... | 2,034 | 3,309 4 6 | 1,072 7 6 |

From a perusal of the statement, Government will be pleased to observe that the office has registered 1,728 documents on an average during these two years.

As this number is far in excess of 1,200, the minimum prescribed for the conversion of an office into a first grade one in Government Proceedings No. C. 1115-24, dated 22nd January 1892, and as I am strongly of the opinion that the present poor establishment is entirely inadequate to get through the work of the office with promptitude and efficiency, I would request the early sanction of Government to convert this office into a first grade one together with the usual establishment of an office of that grade as detailed in the margin. The consequence of this step will be an additional cost to Government of Rs. 36 per mensem or Rs. 432 per annum, and I beg to point out that this is well within the means of the office, as even after its conversion into a first grade one, only 43 per cent of the total receipts will be the cost of its establishment, while the balance of 57 per cent will still be surplus in favor of the Department.

No. 5032—J. 356, DATED BANGALORE, 20TH SEPTEMBER 1901.

ORDER THEREON—Recorded.

2. Government regret to note that the average duration of cases in the Courts of Magistrates increased from 6·55 to 11·07 days and the percentage of persons in cases undisposed of in relation to the entire number from 3·91 to 6·15. It is hoped that Magistrates will pay greater attention in future to the prompt and speedy disposal of criminal work than they seem to have done in the year under review.

Paras 56 and 57.

3. It is noted that the Judge agreed with the jury in all the cases tried with their aid in the Chief Court and differed totally from the opinion of the assessors only in 16 cases out of a total number of 121.

Paras 14 and 65.

4. It is reported that six cases involving six European British subjects were tried by Justices of the Peace and that five of these were acquitted and the remaining one convicted and sentenced to pay a fine of Rs. 5. The report is silent as to the class of offences with which the accused were charged. Information on this point should invariably be given in future reports.

Para 68.

5. There was an increase in the number of persons ordered to give security, and the Government would be glad if still greater use is made of the preventive provisions of the Criminal Procedure Code.

Para 70.

6. The average duration of appeals in Courts of Session during the year was 19·62 as against 9·56 in the year preceding. The increase deserves the notice of the Chief Court.

Against each impression so taken in this Register the name of the executant, the number of the deed in Books Nos. I, III, IV or V and the date shall be entered. In such Registration Offices, the Registering Officer shall require every executant who is not personally known to himself to affix such an impression both to the deed and to the Register in his presence, whether he can write his name or not. READ THE FOLLOWING PAPERS—

(1) Para 3 of Government Proceedings No. 8052-4—Fl. 1075, dated the 14th May 1900, requesting the opinion of the Mysore State Life Insurance Committee as to whether any legislation is desirable in view to the exemption of bonuses from attachment by Civil Courts.

(2) Letter No. 979, dated the 1st December 1900, from the Secretary to the Mysore State Life Insurance Committee, submitting the Committee's opinion that such legislation is desirable and that Rule 23 of the Insurance Rules may also be so modified as to make nomination subject to the approval of the Committee.

(3) This office letter No. 9803—Legis. 79, dated the 1st February 1901, to the First Assistant to the Resident in Mysore :—

"I am directed to forward the accompanying copy of a Draft Regulation to further amend the Code of Civil Procedure as in force in Mysore, and of a statement of objects and reasons, which fully explains the necessity for the measure, and to request that the approval of the Government of India may be kindly obtained to the Draft Regulation being passed into law."

*Statement of Objects and Reasons.*

"Rule 23 of the Mysore State Life Insurance Rules runs as follows :—

'The Committee shall authorise payment of the bonus to the insured as soon as possible on his completing the age of 55 years and on surrendering his policy. If the insured is dead, the bonus shall be paid to his nominees by will or other document duly registered in the office of the Secretary to the Committee, and failing such nominees, to his legal heirs after proof of the accrual of the claim and surrender of the policy. The bonus payable under this rule shall be subject to a deduction of any amount that may be due to Government by the insured.'

"2. In a recent case, where a judgment-creditor applied for the attachment of the bonus payable on two policies in execution of a decree against the heirs of a deceased policy-holder, it was contended on behalf of the Secretary to the State Life Insurance Committee that the amount could only be paid to the legal heirs of the deceased under the above Rule. The Chief Court of Mysore, however, held that the Rule did not apply when there was a decree against the legal representative of the policy-holder, and that in the case under decision the money was no longer payable to the heir but to the decree-holder.

"3. The Government are of opinion that the primary object of the State Life Insurance Scheme will be defeated by treating the bonuses payable thereunder as liable to attachment at the instance of creditors. No such liability attaches under the existing law to pensions and gratuities allowed to public officers and to a moiety at least of their salaries. And the grounds on which this exemption is based may be applied with equal force to the special concession of a bonus by which the State enables the members of its subordinate service, who may often be unable to save enough from their income, to secure for themselves and their families a certain, substantial provision for the future, over and above the ordinary pensions and gratuities, in return for a small payment, fixed at 10 per cent of their pay over a series of years.

"4. It is accordingly proposed in the accompanying Draft Regulation to add the bonuses in question to the list of items exempted from attachment and sale in execution of decrees, given in the first proviso to Section 266 of the Code of Civil Procedure."

Miscellaneous Appeal against the order of the Sub-Judge of Bangalore in Original Suit No. 280 of 1898-99—Ex. C. No. 376 of 1899-1900.

This Miscellaneous Appeal coming on for hearing this day, the Court pronounce the following :—

ORDER—It is contended by Mr. Ramaswami Iyer, on behalf of the Insurance Committee, that No. 23 of the Rules requires the production of a certificate of heirship. That, no doubt, is the case in the absence of a decree. But when there is a decree against the legal representative of the policy-holder, the rule is not applicable ; for the money is no longer payable to the heir, but to the decree-holder. The money having been attached in execution of the decree, can be safely paid into Court by the Committee, as Section 268 of the Code of Civil Procedure declares that such payment will be an effectual discharge of all liability for the debt.

The Policies of Insurance are in the Court and can be delivered to the Committee on the money being paid into this Court.

(4) Correspondence ending with letter No. 1847, dated the 8th April 1901, from the First Assistant to the Resident in Mysore :—

"With reference to your letter No. 9803—Legis. 79, dated the 1st February 1901, the receipt of which was acknowledged in this office letter No. 897, dated the 22nd idem, I am directed to say that the wording of the proposed proviso in the Draft Regulation seems to have a much wider legal operation than what is apparently intended by the Durbar.

"2. A bonus is not liable to attachment under the law in force in British India only in the circumstances specified in Section 6 of Act III of 1874. However, in the circumstances explained in the statement of objects and reasons attached to your letter, the proposed proviso would not be open to serious objection if it were intended merely to prevent a bonus being attached in satisfaction of a debt due by the insured. But the proviso as it stands would have the effect of exempting from attachment a bonus payable or paid to the nominee or heir of the deceased even in execution of a decree against such nominee or heir for a debt due by the nominee or the heir himself. There seems to be no valid reason for conceding such extensive privilege in the case of policies effected under the Mysore State Insurance Rules.

"3. There may also be cases in which monies have been already borrowed on the credit or security of life policies. It would be unfair and unreasonable to give retrospective effect to the proviso so as to affect such debts.

"4. The Honorable the Resident is, therefore, of opinion that the proviso in question might be made subject to the following restrictions, namely :—

(i) It shall not apply retrospectively to debts already contracted on the security of a bonus.

(ii) It shall apply only to debts due by the insured.

"5. If the Durbar approve of the above suggestions, I am to request that the Draft Regulation may be resubmitted with the necessary amendments."

---

(5) This office letter No. 14613—Legis. 101, dated the 2nd May 1901, to the First Assistant to the Resident in Mysore:—

"Adverting to your letter No. 1847, dated the 8th April 1901, anent the Draft Regulation for the exemption of bonuses from attachment, I am directed to state that, as the object of the Mysore State Life Insurance Rules is merely to secure to officers and their families a clear substantial provision, unencumbered with, and not liable to, the debts of the insured, the Durbar thankfully accept the suggestion of the Hon'ble the Resident that the proposed exemption should be restricted to cases of decrees for debts due by the insured themselves. This, in fact, coincides with the opinion of the Durbar. They also agree that it should not apply retrospectively to debts, if any, already contracted on the security of a bonus.

"2. I am to append copy of a revised Draft Regulation embodying both these suggestions, and passed by the Council on the 27th ultimo. The enclosures of your letter under advertence are returned."

*A Draft Regulation to further amend the Code of Civil Procedure as in force in Mysore.*

Preamble.

Whereas it is expedient to provide for the exemption of bonuses payable by Government under the Mysore State Life Insurance Scheme from attachment and sale in execution of decrees relating to debts due or contracted by insured persons; Her Highness the Maharani-Regent is pleased to enact as follows:—

Addition to Sec. 266 of the Code of Civil Procedure.

1. To the first proviso to Section 266 of the Code of Civil Procedure as in force in Mysore, the following clause shall be added, namely:—

"(*p*) where the decree relates to a debt due or contracted by an officer who has insured his life under the rules in force relating to the Mysore State Life Insurance, any bonus payable or paid thereunder to such officer or, in the event of his death, to his nominee or other person or persons entitled to such bonus under the said Rules."

Regulation not to apply retrospectively.

2. Nothing in this Regulation shall be deemed to apply in the case of decrees relating to debts contracted prior to the passing hereof on the security of bonuses payable under the Mysore State Life Insurance Scheme.

Letter No. 76, dated the 19th July 1901, from the President of the Municipalities in the Mysore district, stating that a sum of Rs. 99-15-3 was expended in January 1901 from the Municipal Funds for roofing a portion of the cattle-pound at T.-Narsipur, the charge having been debited to VIII. Public Works in the last year's budget, and that the Comptroller has taken objection thereto on the ground that the charge is properly debitable to "XI. Miscellaneous (*c*) Cattle-pound;" and requesting that, as there is no money available under that head, sanction may be accorded to the transfer of Rs. 100 from "VIII. Public Works" to "XI. Miscellaneous (*c*) Cattle-pounds" in the last year's budget of T.-Narsipur.

No. 5536-45—L. F. 55-99, DATED BANGALORE, 30TH SEPTEMBER 1901.

ORDER THEREON—As in para 4 of Proceedings No. 15986-8—L. F. 2-1901, dated the 1st June 1901, the provision made in the District Fund budget of the Kolar Circle for repairs to "Cattle-pounds" has been transferred to the head "(*b*) Public Works to be executed by Revenue Department," the Government direct that the charge in question being similar to the one above referred to, should likewise be shown under "VIII. Public Works (*b*) and (*i*) Buildings, Original and Repairs" in the Municipal budgets. The Comptroller is accordingly requested to admit the charge from the provision under "VIII. 2. It is observed that budget Statement No. 1 has not been properly prepared in accordance with the instructions contained in Official Memo No. 6861-70—157, dated 8th December 1889. The difference between the sanctioned estimate for 1900-1901 and the actuals of the 1st six months of the same year has been erroneously entered in column 4 of the statement as the probable collection of the 2nd half of the year 1900-1901 instead of the actuals of the 2nd half of the year 1899-1900. In future greater care should be bestowed in the correct preparation of the budget statements in accordance with the instructions laid down on the subject.

3 *I. Octroi.*—Owing to the recent introduction or extension of Octroi into some of the Municipalities, new estimates have been entered under this head. The estimates under the following items are modified as shown below to accord more closely with the actuals of 1899-1900 and probable collection of 1900-1901 :—

4. *II. Tax on Houses and VII. Mohatarfa.*—There are notable differences in these items under House-tax of Tyamagondlu and under House and Shop taxes in Closepet. Clear explanation should be appended in all such cases. It is, however, presumed that the figures are based on the results of the annual jamabandi, and the estimates are retained as proposed.

5. *X. Miscellaneous.*—The Municipal Board of Tyamagondlu expects a large income of Rs. 1,500 from the sale of house sites in the extension. But the cause of decrease under (*c*) sale of lands in Nelamangala and under (*d*) pounds in Channapatna should have been explained. The items being of a fluctuating character, the estimates are passed.

6. *Opening Balance.*—It is not clear how the estimates under this head have been arrived at. The subjoined figures which are based on the actual balances on 1st July 1900 and the sanctioned estimates for 1900-1901, will be adopted as the correct opening balance :—

| No. | Municipalities. | Actual balance on 1st July 1900. | Estimated receipts for 1900-1901. | Total including balance. | Estimated expenditure for 1900-1901. | Estimated closing balance on 30th June 1901 or opening balance on 1st July 1901. |

EXPENDITURE.

7. *I. Interest on Debt and XI. Miscellaneous (a) Repayment of Loans.*—The budget of Tyamagondlu provides under these heads Rs. 720 on account of the repayment of loan sanctioned to the Municipality in Government Proceedings No. 7649-51—L. F. 82-97, dated 7th January 1898. The provisions will stand, pending the receipt from the Comptroller of a statement showing the loans drawn by the several Municipalities and the annual instalments payable by each during 1901-1902.

8. *II. Head Office.*—The necessity for the increase proposed in most of the budgets under this head has not been explained in the remarks column of the budget Statements No. III. Such omissions lead to unnecessary increase of correspondence and could be avoided with ordinary care. Pending further information, however, the provisions will stand.

9. *III. Collection, (a) Octroi.*—The budgets of Devanhalli and Nelamangala provide for special establishments and also for commission to village servants for collecting octroi duties. In the latter budget the provision for a peon on Rs. 6 is stated to have been made to help the village servants in collecting the duty but no such explanation has been given in the other budget. As both commission to village servants and separate establishments cannot be sanctioned for collecting octroi in one and the same Municipality, the new provision made for a peon at Nelamangala and for commission at Devanhalli, where a peon was sanctioned in the budget for 1900-1901 will be struck out. Moreover, the provisions made in the subjoined budgets are in excess of the scale of 5 per cent commission sanctioned in para 3 of the late Chief Commissioner's Proceedings No. 4032-43—Muni. 201, dated 30th October 1879. They will therefore be reduced as shown in column 5 of the statement:—

| No. | Municipalities. | Octroi revenue. | Remuneration proposed. | Five per cent commission sanctioned. |
|---|---|---|---|---|
| 1 | Hoskote | 1,440 | 102 | 72 |
| 2 | Sulibele | 139 | 20 | 7 |
| 3 | Vadigenhalli | 537 | 50 | 27 |
| 4 | Magadi | 785 | 100 | 39 |
| 5 | Closepet | 923 | 140 | 46 |
| 6 | Kankanhalli | 377 | 60 | 19 |
| 7 | Sarjapur | 251 | 15 | 13 |

10. *III. Collection, (b) House and Moḥatarfa Taxes.*—No provisions have been made in the budgets of Sulibele, Devanhalli, Vadigenhalli, Sarjapur and Dommasandra for remuneration to village servants for collecting house and mohatarfa taxes, while those made in the remaining budgets are in excess of the scale of 2 per cent sanctioned in Proceedings No. 5954-63—L. F. 157-92, dated 31st October 1892 as shown below. The excess provisions will be struck out and the estimates reduced accordingly:—

| No. | Municipalities. | House and mohatarfa revenue. | Remuneration proposed. | Two per cent commission sanctioned. |
|---|---|---|---|---|
| 1 | Yelahanka | 1,050 | 50 | 21 |
| 2 | Kengeri | 990 | 50 | 20 |
| 3 | Hoskote | 2,025 | 60 | 41 |
| 4 | Dodballapur | 2,550 | 175 | 51 |
| 5 | Nelamangala | 1,775 | 100 | 36 |
| 6 | Tyamagondlu | 1,750 | 87 | 35 |
| 7 | Magadi | 2,550 | 108 | 53 |
| 8 | Channapatna | 4,575 | 120 | 92 |
| 9 | Closepet | 2,448 | 100 | 50 |
| 10 | Kankanhalli | 1,666 | 80 | 33 |
| 11 | Anekal | 2,940 | 108 | 59 |

11. *IV. Conservancy.*—The variations proposed in fixed charges under this head are as noted in the margin. The charges provided in the budget of Closepet have already been sanctioned. The other items will be retained, subject to the submission of a separate reference and the issue of final orders of Government thereon.

| | Rs. |
|---|---|
| 1. Vadigenhalli.—Daroga on Rs. 4 per mensem ... ... | 48 |
| 2. Closepet.—Instead of 7 sweepers at Rs. 5 each per mensem and 8 at Rs. 4, it is proposed to employ 7 sweepers at Rs. 6 and 8 at Rs. 5 at a monthly increase of Rs. 15 ... ... | 180 |

| Watcher on Rs. 5 per mensem ... ... | 60 |
| 4. Dommasandra.—Allowance to peon ... ... | 12 |

12. *VIII. Public Works.*—Owing to the insufficiency of funds, the provision of Rs. 50 made under Reserve in the budget of Closepet will be struck out and that under (*c*) Road, repairs, reduced from Rs. 100 to Rs. 80. Under the head (*a*) Supervision the budget of Closepet provides Rs. 509 to meet the cost of the establishment of the "Norea" water pump, but no provision has been made in this and other budgets on account of the usual supervision charges on the estimates for works. The omission which has not been explained will be supplied and the estimates raised accordingly.

13. *IX. Charitable Grants.*—Increments to salaries of compounders are provided in the budgets of Nelamangala, Channapatna and Kankanhalli in accordance with Proceedings No. 13250-1—Mis 1962, dated 8th June 1896 and the budget of Vadigenhalli newly provides Rs. 120 on account of special allowance to the Hospital Assistant for visiting the town for rendering medical aid. The provision will be tentatively retained subject to the submission of explanation as to the authority and necessity for inserting the same.

14. Under the head of contributions a sum of Rs. 36 is entered in the budget of Dodballapur on account of a moiety of the salary of watcher of Ramanna's well whose water is used solely by the townspeople of Dodballapur. As this item has already been sanctioned by Government in Proceedings No. 781-82—L. F. 1-1901, dated 18th July 1901, the provision made therefor will be passed.

15. The other items call for no remarks and are passed.

17. Notwithstanding the reduction made in para 12 *supra*, the closing balance is less than the prescribed minimum in the Municipalities of Magadi, Closepet and Kankanhalli. Steps should be taken to maintain the usual balance by improving the resources of these Municipalities. The closing balances in Tyamagondlu and Anekal Municipalities are unduly large. The balance at the credit of the former may well be utilised to reduce the debt due to Government; and that of the latter may be utilised for works of benefit to the town.

ALSO—

Letter No. 2253, dated 22nd April 1901, from the Chief Engineer in Mysore, stating that it is desirable to acquire all the lands which have been given out for cultivation in tank beds, that the general rule prohibiting the grant of tank beds for cultivation is to be applied only to tanks in action as well as to such breached tanks as have not been finally abandoned, and that the beds of the latter class of tanks may be given out for cultivation temporarily for one year at a time on condition that no cocoanut or other permanent gardens will be raised thereon.

No. R. 1115-24—R. F. 29-1900, DATED BANGALORE, 3RD SEPTEMBER 1901.

ORDER THEREON—In this connection, the attention of the Deputy Commissioners is drawn to Rule 16 of the new Land Revenue Rules published under Notification No. 264—R. 122, dated 10th July 1901, which should be strictly followed in all future grants of lands for cultivation in the beds of tanks in action.

2. But in those cases in which such tank beds have been already given out for permanent cultivation unconditionally, the Deputy Commissioner should, in consultation with the Executive Engineer, decide once for all whether the acquisition of any of them is necessary in the interests of the tanks concerned, and, if necessary, take steps to acquire them on payment of compensation. Cases of this kind will be few, and previous sanction of Government may be obtained before the lands are actually acquired. The lands when acquired should be treated as "kharab," the assessment thereon being written off the accounts. Meanwhile, the lands granted permanently should be carefully recorded in the village accounts, and when they revert to Government by relinquishment or failure to pay assessment, they should forthwith have the assessment taken off, and be shown under "kharab".

3. If, in any case, the lands have been given out for temporary cultivation subject to their being relinquished by the grantee without any claim for compensation whenever they are required by Government, such lands may be resumed after notice to the occupants, if the Executive Engineer considers their cultivation injurious to the tank.

4. As regards lands in the beds of breached tanks, whether already granted or to be hereafter given out for cultivation, the Government observe that they are liable to be resumed under para 2 of Rule 16 of the new Land Revenue Rules without payment of any compensation whenever such tanks are taken up for repair.

5. It is presumed that all the lands shown in the statements received from the districts are comprised in survey numbers formed by the Survey Department at the original survey or subsequently on the requisition of the Deputy Commissioners. Deputy Commissioners should, in dealing with applications for lands within the contour line of tanks, unhesitatingly refuse to entertain them whether the lands are already comprised in a survey number or are proposed to be formed into a survey number. They will also send up a list of survey numbers already formed in such beds to the Superintendent of Revenue Survey with a view to have them brought under "kharab." With this object, Deputy Commissioners should have the contour line well marked with stones or other mark by the Public Works Department.

6. The above remarks should be borne in mind during the re-survey of the State that has recently been ordered and instructions given to the survey parties to keep clear of the contour line of tanks in measuring lands into survey numbers for purposes of cultivation, both in regard to tanks in action and those that have not been finally abandoned.

7. The Survey Department will also, during re-survey, take steps, where the existence of cultivation in the bed of tanks is likely to be attended with injury to the tank (on which point the opinion of the Deputy Commissioner and Executive Engineer should be final), to have the land in any existing survey number lying within the contour line excluded from such survey number after compensation has been paid to the occupant.

Letter No. 364-62, dated 20th July 1901, from the Deputy Commissioner, Kolar district, submitting a statement showing the demand, collection and balance of acreage contribution due by raiyats for major irrigation works for the month of June 1901.

**No. R. 1246-54—R. F. 145-96, DATED BANGALORE, 10TH SEPTEMBER 1901.**

ORDER THEREON—There are only seven major irrigation works in this istriot. Their names, with amounts of estimate sanctioned and the amount of breage contribution levied, are given below :—

| No. | Name. | Estimate sanctioned. | Year of completion. | Contribution levied. |
|---|---|---|---|---|
| | | Rs. | | Rs. a. p. |

2. Comparing the outlay with the amount of contribution levied since the completion of the works, it is quite clear that the subject has not been receiving that attention on the part of the Local Revenue Officers which its importance, from a revenue point of view, demands. These demand, collection and balance statements which are intended to show the progress made monthly, in the matter of collecting what is due to Government in return for the large outlay incurred, are made a matter of mere form and routine with almost the same remarks repeated month after month. The attention of the Deputy Commissioner is drawn to the instructions laid down in Government Proceedings, Camp No. 1382-90, dated 1st October 1888, and he is now requested to submit, within a fortnight from this date, a detailed report as regards each of the above works explaining what has been done until now, how matters stand exactly at present, and what further steps are intended to be taken in the near future. A statement in the accompanying form showing particulars of irrigable area, etc., should also be sent.

No. R. 1372-80, DATED BANGALORE, 19TH SEPTEMBER 1901.

ORDER THEREON—Recorded.

2. Government are glad to find that a good beginning has been made in this important direction. They regret, however, to observe that the recovery of instalments has, on the whole, not been altogether satisfactory. The Banks wholly or partly in default, should be called upon to discharge their obligations in this respect with the least practicable delay. It is hoped that the Local Revenue authorities and the Deputy Commissioners concerned will give this matter the prompt attention which its importance demands. A brief report of action taken, and of its result, should be made to Government by the end of October next.

Letters Nos. 85 and 136, dated 28th July and 13th August 1901, from the Deputy Commissioner, Chitaldrug district, regarding the over-payment of Rs. 96-13-11 made to one contractor Narayan Rao, from the Jagalur Taluk Treasury, in May 1901.

No. Fl. 500-501, dated Bangalore, 26th September 1901.

Order thereon—The facts of the case are as follows:—

On the 5th January 1901, one contractor Narayan Rao, a depositor in the Government Savings Bank at Jagalur, applied for the withdrawal of Rs. 100 out of a balance of Rs. 103-2-1 at his credit. The Taluk Sheristadar, Chakravartaiengar, after verifying the balance to be correct ordered the payment of Rs. 100 as applied for. The money was duly paid to Narayan Rao, but the payment was not entered either in the Pass Book or in the Ledger, the Nagadi Gumasta, Rama Rao, who was directed by the Sheristadar to make the necessary entries, having fail to do so. This omission was not noticed by the Sheristadar either at the close of the Treasury transactions on the 5th January 1901 or at the close of the month when comparing the journal of withdrawals with the Ledger account. The Pass Book thus remained with the Nagadi Gumasta who passed it on to the depositor without making the necessary entries. On the 2nd May 1901, the depositor again applied for the withdrawal of Rs. 100 declaring the balance at his credit to have been Rs. 103-2-1. The Taluk Sheristadar (Chakravartaiengar) was absent on leave that day and the Head Gumasta who was looking after his work, after referring to the Ledger and the Pass Book and finding the balance correct, ordered the payment of the money as applied for. The withdrawal was duly entered in the Pass Book and in the Ledger, but the Pass Book remained with the Nagadi Gumasta, Rama Rao, in whose box it was afterwards found and sent to the Deputy Commissioner. The mistake on the part of the Taluk Treasury in making the over-payment was detected in the District Treasury when posting up the list of withdrawals for the month of May 1901 in the Ledger account kept there, when an explanation was called for from Amildar Gopalakrishnaiengar. The Amildar reported that he had the sum of Rs. 100 over-paid to contractor Narayan Rao recovered from him and re-credited to the Treasury on the 4th July 1901.

2. The Deputy Commissioner reports that, as the facts stated above showed that the depositor and Nagadi Gumasta Rama Rao were guilty of fraudulent conduct, he has directed criminal proceedings being taken against Narayan Rao for cheating under Section 417 and for making a false declaration under Section 199 of the Indian Penal Code, and that he has placed Nagadi Gumasta Rama Rao under suspension and ordered his being prosecuted for abetment of cheating. For having displayed culpable negligence in not seeing that the payment of Rs. 100 made on the 5th January 1901 was duly entered in the depositor's Pass Book and in the Ledger account, the Sheristadar, Chakravartaiengar, is recommended to be degraded to an appointment of Rs. 35 in the District office. He adds also that the Amildar (Gopalakrishnaiengar) has not been exercising proper supervision over the Treasury work of this taluk.

3. The Deputy Commissioner also suggests that as the Pass Book in the old form does not show the balance at credit of the depositor after each deposit and withdrawal, the new form of Pass Book now in use which provides for this entry be substituted for the old one, all old Pass Books being withdrawn.

4. Government approve of the action taken by the Deputy Commissioner concerning the Nagadi Gumasta Rama Rao and contractor Narayan Rao. The result of the proceedings taken should be reported.

5. The Taluk Sheristadar (Chakravartaiengar) is undoubtedly guilty of gross negligence. His degradation, recommended by the Deputy Commissioner, is approved.

6. The Amildar (Gopalakrishnaiengar) should be warned to devote more attention to the Treasury, which is an important branch of his work.

7. The Comptroller, Mysore Government, is requested to issue suitable orders as regards the withdrawal of the old Pass Books.

SUBJECT :

Appeal against the grant of certain lands in Chikkellur, Rampur village, Magadi taluk, to the respondents on full assessment without giving them to the appellant on shraya tenure.

FACTS OF THE CASE :

On the 1st July 1897 the appellant, Talkad Ranga Rao, presented to the Magadi taluk, a darkhast for the grant of the marginally noted lands of the bechirak Chikkellur, Rampur village, on shraya tenure. The Amildar and the Assistant Commissioner in charge of Magadi taluk recommended the grant of the lands as asked for. When the Deputy Commissioner, Bangalore district, went to Kumbalgodo on 12th August 1898, the raiyats of that place stated that they wanted the bechirak village above referred to for pasture for their cattle. The lands applied for by the appellant were then put up to auction and were knocked down to him for Rs. 250. But the appellant's request that the gomal land of the village* should also be given to him for pasture being refused by the Deputy Commissioner, the appellant declined to take up the lands. Finally, the sale was cancelled and the lands were assigned to the raiyats of Kumbalgode on payment of an upset price of Rs. 60. On 14th August 1898, after recovery of the upset price, pattas were granted to the raiyats and full assessment with cess for 1898-99, amounting to Rs. 70, was also recovered from them.

2. On 21st July 1899 the Government, on the appeal of Ranga, Rao, cancelled the Deputy Commissioner's order and directed the Deputy Commissioner to proceed in the matter under para 18 of Rule XX of the Land Revenue Rules.

3. On the 21st September 1899 notice was served on the Kumbalgode raiyats to quit the land but they refused to do so on the grounds that they had purchased the lands, got saguvali chit, paid full assessment for Vilambi (1898-99) and sown horse-gram for Vikari (1899-1900). On 26th January 1900 the Jamabandi Officer directed the levy of the full assessment on the lands for Vikari (1899-1900) in the shape of fine.

4. Between January 1900 and February 1901, a few applications for the lands on full assessment having been received, the Deputy Commissioner referred the matter to Government, who directed that their order of 1899 should be given effect to. In accordance therewith, the lands were notified for sale on the 26th April 1901. In the meantime Ranga Rao again petitioned the Government, who thereupon directed the stay of sale pending orders on the appeal. Before this order could be conveyed to the Amildar, the lands were auctioned by him and knocked down to respondents.

DECISION:

In the course of giving effect to the Orders of Government No. 708-15—P. F. 85-93, dated 21st July 1899, and before applications for the lands on shraya tenure could be disposed of, applications had come in for the lands on the Survey assessment. The Assistant Commissioner in charge of the taluk acted rightly in putting up the lands to sale. The sale proceedings have been properly conducted and Government have no hesitation in confirming them.

2. Appeal dismissed.

Appeal against the decree of the Deputy Commissioner, Tumkur district, registering respondent Subbanna as shanbhog of Halkurki Circle.

FACTS OF THE CASE:

Byrappa, father of the appellant and paternal uncle of the respondent held the shanbhogi offices of the Sarvamanyam villages of Halkurki and eight other Government villages till 1841, when he was removed from the charge of Government villages for misconduct.

(2) During the Potgi Settlement the Sarvamanyam village of Halkurki was formed into one circle by itself, while the Government villages Halenahalli, Bhairapur, Maigondanahalli and five others were grouped into a separate circle.

(3) On 23rd July 1890 the Government, on a joint petition from Kshetrapalaiya and Subbanna, directed the shanbhogi office of the Government villages to be registered in the name of Kshetrapalaiya, but he was not allowed to perform the duties during the lifetime of his dismissed father. The appellant's father Byrappa died in March 1891, and in pursuance of the order of July 1890, Kshetrapalaiya was registered as the shanbhog of the Government villages.

(4) In 1893, both Kshetrapalaiya and Subbanna brought a regular suit before the Treasury Assistant Commissioner of the Tumkur district for the shanbhogi office of the Inam village. The Assistant Commissioner decided that Kshetrapalaiya should be registered as shanbhog of that village also.

(5) In July 1899, Subbanna sued Kshetrapalaiya in the Court of the 2nd Assistant Commissioner, Tumkur district, for registry of his name as a joint-hakdar and for possession of one of the circles. The Assistant Commissioner dismissed the suit as *res judicata*, but, on appeal, the Deputy Commissioner decreed that the respondent be registered as a hakdar and put in possession of the Halkurki Circle under Rule XXIX of the Potgi Rules.

(6) Hence this appeal of Kshetrapalaiya.

DECISION:

It is shown that the eight Sirkar villages form one circle and the Inam village of Halkurki forms another circle. Under the Potgi Rules there should be separate officiators for each circle. If appellant is confirmed in the circle comprising the Sirkar villages no better claimant for the Inam village can be found than the respondent, who is appellant's cousin and has joined him in contesting the right of the family to the shanbhogi hak which, in the case of the Government villages, had been lost through the misconduct of appellant's father and respondent's uncle, Byrappa.

(2) Government confirm the Deputy Commissioner's decision on the above ground.

SUBJECT:

Appeal against the decree of the Deputy Commissioner of Shimoga dismissing, in reversal of the Assistant Commissioner's decree, the plaintiff-appellant's suit for the pateli office of Maravalli village, Shikarpur taluk.

The facts of the case are clear from the following decision:—

DECISION:

This is a simple case. Plaintiff-appellant's father and defendant-respondent's father were brothers. Plaintiff's father appears as registered patel in the Register of 1865, and defendant's father's name is entered as hissedar officiating on behalf of plaintiff's father. Defendant's father continued to officiate up to time of pakka potgi in 1885. At the Potgi Settlement, plaintiff's father was dead and plaintiff was a minor. Their names do not appear to have been shown under the head of hissedar in the statement filed before the Potgi Settlement Officer. Defendant's father was present as also defendant and at the request of the former, defendant's name was entered as patel for the village.

2. Government do not see reason to disturb this order at this distance of time especially as defendant has equal right to the pateli with plaintiff although the latter represents the elder branch.

3. In consideration, however, of the peculiar circumstances of this case, Government will not object to consider the claims of plaintiff Erappa on the occurrence of a vacancy in the patelship.

Appeal against the order of the Deputy Commissioner of Tumkur, directing the registry of the shanbhogi of the villages of Talekoppa, Kallagudi and Ranganahalli in the name of the respondent.

THE FACTS OF THE CASE:

In October 1884, Narasaiya, the registered shanbhog of the three villages in question resigned the office in favour of his grandson Puttaiya *alias* Puttanarasimhaiya on the ground that his son (the appellant) was incompetent. Puttaiya being a minor at the time, the duties were discharged by a gumasta. In April 1900, Puttaiya died and the Deputy Commissioner registered the office in the name of the respondent, who is the widow of Puttaiya, the claims of the appellant, who is the father of Puttaiya, being rejected. Narasimhaiya appeals to Government against the above order and urges that as he and his son Puttaiya were undivided, he is the nearest heir to the deceased and that he has besides a second son who is a minor.

DECISION:

The Deputy Commissioner's order is clearly wrong. On the death of Puttaiya, the office should go to his undivided brother or father, and Government are surprised that the Deputy Commissioner should have given it in favour of his widow.

Petition of Appeal No. 967 of 1900-1901 from Motaji, Marvadi, merchant, residing at Chikmagalur, against the order of the Deputy Commissioner, Kadur district, setting aside the sale of certain lands for arrears of revenue.

(2) Correspondence ending with letter No. 609, dated 10th April 1901, from the Deputy Commissioner, Kadur district, reporting on the above.

(3) The records of the case.

THE FACTS ARE:

On the 1st March 1900, a demand notice was issued by the Amildar of Chikmagalur, for arrears of kandayam amounting to Rs. 83-6-6 due by Rudregauda on his lands at Kolgave for the year 1899-1900, and served on the defaulter on the 20th March 1900. As the amount was not paid in time, the marginally noted lands were attached on the 20th April 1900 and valued by the panchayatdars on the 20th May 1900 at Rs. 85. The lands were declared forfeited by the Amildar and sale notices issued on the 13th July 1900 and served on the defaulter on the 20th July 1900. The sale notice

was also served on the gumasta of Padmarajaiya, son of Dharanaiya, to whom the lands had been mortgaged. On the 24th and 25th August 1900 all the lands except Survey No. 67 were sold by the Amildar in public auction and knocked down to the applicant Motaji for Rs. 329-4-0 as noted in the margin. On the 27th August 1900 the mortgagee's son paid into the Taluk office the amount of the arrears. When the proceedings of sale were submitted to the Deputy Commissioner, he cancelled the sale on the grounds that the lands were valuable and that it would be a hardship to the defaulter if he were deprived of them, and directed the arrears of revenue produced by the mortgagee to be accepted. The lands have since been valued under the Orders of Government by a panchayat at Rs. 2,415, the wet lands at Rs. 390 and the coffee land at Rs. 2,025.

No. Pet.—494-501, dated Bangalore, 3rd September 1901.

Order thereon—Government observe that on default made by the occupant, the Amildar in the first instance ordered the forfeiture of these lands, as the rules left him no option. The issue of the sale notice and proclamation of sale followed as a matter of course and the subsequent sale which was held by the Amildar himself. The mortgagee also had been served with notice of sale. The sales were properly conducted and closed. It is therefore doubtful if the Deputy Commissioner was right in setting aside sales which had been conducted in full compliance with every provision of the rules, on the grounds that the price was inadequate, and that the arrears had been paid by the mortgagee. But the payment of arrears by the mortgagee cannot be recognised as the payment was made not on the day of sale but two days after. There will be no finality to, and no confidence in, Government Proceedings, if sales could be set aside on grounds like these. By this practice of setting aside sales contrary to rules, the defaulters themselves, whom it is intended to serve, will be the sufferers in the end by there being no bidders at Government auctions, as has actually happened in a case in the Mysore district.

2. From the time the notice of demand was served, *viz.*, 20th March 1900 to the date of sale, 24th August 1900, there was an interval of five months and four days, ample time for all parties interested to pay up arrears and save the land. All these circumstances point to the undesirability of setting aside the sale; but as the Deputy Commissioner has passed the order, Government think it inexpedient to disturb it after this lapse of time and reluctantly decide to reject the appeal.

Petition No. 549, dated 18th September 1900, from Annaiya, shanbhog of Nekkundi, Chintamani taluk, appealing against the order of the Deputy Commissioner, Kolar district, holding the petitioner, who is the surety, liable to pay the amount of loan advanced to Kesava Pille for sinking an irrigation well on his land.

(2) Correspondence ending with letter No. 1233, dated 7th April 1901, from the Deputy Commissioner, Kolar district, reporting on the above.

(3) The records of the case.

In January 1893, one Kesava Pille applied to the Amildar of Chintamani for a loan of Rs. 600 for sinking an irrigation well on his dry land, Survey No 45 (8 acres and 3 guntas—Rs. 12-0-0) of Nekkundi village. The panchayatdars estimated that the value of the land would be Rs. 1,300 on the completion of the well, and Amildar Parthesarathaiengar recommended the grant of the loan, stating that the applicant was a well-to-do contractor. On this, a loan of Rs. 500 was sanctioned and the applicant and his surety, the petitioner, having executed the bonds, an advance of Rs. 300 was made on 16th August 1893. As the applicant did not complete the well within the stipulated time, he and his surety were served with notices for the repayment of the amount advanced. On this the applicant asked for an extension of time which was granted. On 2nd Octo-

ber 1895, Amildar Venkatasubbaiya (since retired) having submitted to the officer on special duty, a measurement list for Rs. 427 and recommended a further advance of Rs. 200, a sum of Rs. 150 was, on 28th December 1895, advanced to the applicant. In July 1896, the applicant requested the Amildar that as he had completed the work, a loan order might be issued to him for Rs. 450. Amildar Yello Srinivasa Rao (who had succeeded Venkatasubbaiya), reported that the land was inferior and far away from the village and submitted a mahazar to the effect that work done to the well did not exceed Rs. 180 and that the well would irrigate only two acres of land if it was completed, and that the land was worth only Rs. 5. In the meanwhile the kandayam of the land itself having fallen into arrears and the defaulter having absconded, the land was, after the usual proceedings, brought to sale. As there was no bid, it was sold a second time when it was knocked down for Rs. 30 and placed in possession of the purchaser. As regards the loan, the Extra Assistant Commissioner ordered that the surety should pay it. On appeal, Mr. Sparkes, the then Deputy Commissioner, set aside the above order and directed that the land should be proceeded against. The Assistant Commissioner having brought to the notice of the Deputy Commissioner that the land had already been sold and placed in possession of the purchaser, the Deputy Commissioner, Mr. Venkatavaradaiengar ordered that the surety (petitioner) must make good the amount.

Hence this appeal.

No Pet.—541, dated Bangalore, 6th September 1901.

Order thereon—Government observe that the whole transaction is discreditable to Amildars Parthasarathaiengar and Venkatasubbaiya, who were responsible for valuing the land and passing the measurements. Action like this is calculated to bring the system of advances for irrigation wells into discredit and discourage the enterprise of *bona fide* raiyats.

2. Kesava Pille is apparently an adventurer who should not have been given a loan except after the greatest scrutiny. That a land valued at Rs. 1,300 should barely fetch Rs. 30 does not speak well for the Amildars who recommended and passed the loan. The full amount will be recovered from the surety.

Petition No. 933 of 1900-1901, from Abdul Khader Saheb of Mogenahalli, Channapatna taluk, appealing against the order of the Deputy Commissioner, Bangalore district, declining to cancel the sale of his lands for arrears of revenue.

(2) Letter No. D. 1566, dated 25th April 1901, from the Deputy Commissioner, Bangalore district, reporting that the petitioner having failed to pay kandayam amounting to Rs. 77-9-0, due on his lands Survey Nos. 11, 12 and 93 of the above village for 1899-1900, they were sold for Rs. 95 on 12th March 1900, and the sale confirmed by the Assistant Commissioner in charge of the taluk on 31st May 1900; that subsequently he requested the Amildar to grant him time for payment of the arrears on the ground that his lands had remained uncultivated during that year for want of rain and owing to the disrepair of the tank; that the Amildar declined to grant his prayer; that the tank is not a breached one to entitle petitioner to remission and that the Public Works Department authorities have been requested to do the needful for its sluice which is leaky.

(3) The records of the case.

No. Pet —578, dated Bangalore, 10th September 1901.

Order thereon—This is a hard case, but Government do not see their way to granting any relief to the petitioner. It is noticed that subsequent to proceedings taken for the recovery of the arrears, inquiries were set on foot about petitioner's claim for remission. The sale proceedings were completed before this, and the petitioner's lands had passed out of his hands. The sale proceedings have been conducted according to Rules and no exception can be taken to the action of the authorities under existing Rules. The Rules make it imperative that land on which arrears are due should be proceeded against in the first instance unless the defaulter surrenders his personal property.

2. Under the circumstances Government decline to interfere.

*Appeal No. 24 of 1900-1901.*

| Appellant | *Versus* | Respondent |
|---|---|---|
| Narasamma. | | Hiranyappa. |

*Subject.*

Appeal against the order of the Deputy Commissioner, Bangalore district, confirming the sale of Survey No. 72 of Karadipalya of Halkunte hobli in Dodballapur taluk.

*Facts of the case.*

The land in question had been twice mortgaged by its owner, the first mortgagee being Kamanna, husband of the appellant, and the second being one Rajadoddananjappa.

2. As the debt fell due, Rajadoddananjappa sued the owner, obtained a decree for the amount, brought the land to sale, purchased it himself and got the khate of the land made in his name. Later on, *i. e.*, in March 1898, Narasamma (widow of Kamanna) also took the same step, brought the land to auction and purchased it herself in ignorance of the previous sale; but when she went to obtain possession of the land, Rajadoddananjappa who was in possession, refused to give possession. Narasamma was thus forced to file a Civil suit for possession. In the meantime, Rajadoddananjappa allowed the kandayam on the land, namely, Rs. 14-14-0 to fall into arrears and when a demand notice was served on him, he endorsed on it to the effect that the name of the khatedar, the survey number, extent, &c., of the land had not been mentioned, that many of the lands had been hypothecated and that therefore if a notice were issued to him giving the particulars with the date of sale, he would be ready to pay the amount by that time. The land was declared forfeited by the Amildar and on 23rd May 1900, it was sold and knocked down to the respondent Hiranyappa. On the 29th May, Narasamma petitioned the Deputy Commissioner for cancelling the sale and for recovery of the kandayam from her. The Assistant Commissioner (Mr. K. R. Srinivasaiengar) to whom the petition was referred for disposal, found on enquiry that Rajadoddananjappa had purposely allowed the land revenue to fall into arrears with the intention of bringing the land to sale to the prejudice of Narasamma and that Hiranyappa (the respondent) had attended the sale for, and in the interests of Rajadoddananjappa and purchased the land. The Assistant Commissioner cancelled the sale on account of fraud and directed the refund of the purchase money to Hiranyappa. On appeal the Deputy Commissioner (Mr. B. K. Venkatavaradaiengar) held that the sale of the land was regular, that the ground which, as he thought, was assigned by the Assistant Commissioner for cancelling the sale (*viz.*, inadequacy of sale price) was not a sufficient ground and accordingly confirmed the sale in reversal of the Assistant Commissioner's order.

*Decision.*

The Government consider that the order of the Deputy Commissioner (Mr. B. K. Venkatavaradaiengar) is wrong and should be set aside. Fraud could not be more clearly established than in the present case. In the present case Rajadoddananjappa was holder of a second hypothecation on the land in question. He sued for the debt and got the land sold by the Civil Courts and bought it himself and had the registry made out in his name. The appellant who holds a prior mortgage is proceeding in the Civil Courts against him. In the meantime, Rajadoddananjappa deliberately defaults and when served with a notice of demand, declines to pay and promises to pay before sale and asks for date of sale to be intimated to him. At the sale as found by the Assistant Commissioner, the land was purchased by a third party, the respondent, on behalf of the defaulter. The Assistant Commissioner rightly set aside the sale found to be tainted with fraud from the inception. Government cannot but conclude from the nature of the endorsement made on the notice of demand by Rajadoddananjappa that he meditated fraud from the commencement. The rigorous provisions of the Code regarding forfeiture should not be lightly called into requisition and not allowed to be made an instrument for practising fraud. The matter is still under litigation, and the appellant cannot be blamed for not having registered her name. The Deputy Commissioner's order is therefore set aside and the appeal allowed.

| Patel Narasimmaiya of Baragur. | | Venkategauda, Police Patel. |

*Subject.*

Appeal against the order of the Deputy Commissioner, Tumkur district, appointing the respondent as Police patel for Baragur village of Sira taluk.

*Facts of the case.*

Appellant's father Karegauda was the officiator patel of the village of Baragur till his death on 3rd March 1900. When after Karegauda's death, enquiry was being made as to the rightful successor, Hanumegauda whose one-third share in the pateli had been recognised in Revenue Appeal No. 4 of 1895-96, on the file of the Deputy Commissioner, put forward his claim to be appointed to the office. The Amildar reported at the same time that Baragur was an important village with a population of 862 souls and a revenue of Rs. 1,988-3-0; and the 1st Assistant Commissioner while recommending to the Deputy Commissioner that two patels may be appointed thereto, one for Revenue and the other for Police duties, in accordance with para 3 of Government Order No. 10267-75—R. 1055, dated 3rd January 1894, reported that in the Pakka Potgi Register of 1880, the then Deputy Commissioner had ordered that Hanumegauda and Siddalingegauda were hissedars to the said pateli office, and that when a vacancy occurred the question of appointing any member of the hissedar's family might be considered. Concurring with the Assistant Commissioner, the Deputy Commissioner directed the appellant Narasimmaiya to be appointed as Revenue patel and the respondent Venkategauda, son of Hanumegauda as Police patel.

*Decision.*

The order of the Deputy Commissioner, passed in 1880, only recognised Hanumegauda and Siddalingegauda as hissedars, and the decision of 1895-96 should have simply confirmed this order and dismissed the appeal. The Assistant Commissioner's order, on which Appeal No. 4 of 1895-96 was an appeal, appears to have been rightly passed. The proceedings of this case, however, are not in the file.

(2) But Government are not concerned with the merits of this case in the present instance. Having passed an order in 1895-96, that the father of respondent in the present case was entitled to one-third of the hak, the Deputy Commissioner now proceeds to give effect to his order by treating the respondent as a hakdar under para 3 of Government Proceedings dated 3rd January 1894, and constitutes him as Police patel.

(3) The respondent's right to be given an actual share in the duties and emoluments cannot be stronger now than when the suit of 1895-96 was instituted. No new circumstances have arisen since then. The old officiator Karegauda is dead, but his son, the appellant, is quite fit to carry on the duties of the father, and he should be registered as hakdar. It is not desirable to split up the pateli into Revenue and Police patelis, or to divide the potgi, which is already little enough, between two patels.

(4) The order of the Deputy Commissioner is therefore set aside and the appellant Narasimmaiya confirmed as patel of Baragur.

| Subbanna. | *Versus* | Ramadasappa. |

*Subject.*

Appeal against the order of the Deputy Commissioner, Bangalore district, confirming the sale of the appellant's house in Sikote village, Dodballapur taluk, for arrears of land revenue.

*Facts of the case.*

For arrears of revenue amounting to Rs. 34-8-0 due for the years 1898-99 and 1899-1900, on land Survey No. 98 in Arekere village, Dodballapur taluk, the land was sold on 27th April 1900 and purchased on behalf of Government for a nominal price as there were no bidders. The defaulter's other property, *viz.*, a house in the Sikote village was next proceeded against and sold on the 23rd June 1900. But before the confirmation of the sale, the appellant prayed for time to pay up his arrears and thereupon a notice allowing him 15 days' time for paying the Government dues was issued, and on 15th September 1900 served on his house. It was not responded to till the 3rd November 1900, when the amount due was remitted to the Amildar by money order. But the Assistant Commissioner confirmed the sale on 7th November 1900, on the ground that the amount had not been remitted in time. On appeal the Deputy Commissioner declined to interfere.

*Decision.*

This is an instance of the strict enforcement of the conditions of a notice issued to the defaulter granting him time to pay up. The notice also was not personally served owing to the man being absent from the village. He should have paid before 1st October. He paid on 3rd November, but the sale had not been confirmed then. It was confirmed on 7th November, four days after payment, on the ground that the appellant had not conformed to the terms of the notice. Government consider that the confirmation under the above circumstances was unnecessarily harsh. It does not appear from the proceedings that when the land on which arrears were due had failed to fetch any bids, the Deputy Commissioner's permission was obtained to proceed against other property as provided in the Rules.

(2) Government resolve to cancel the sale of the house and set aside the order of the Deputy Commissioner.

Petition No. 948, dated 1st December 1899, from Tirumalaiya and Venkatamma of Gowdagere village, Kunigal taluk, appealing against the order of the Deputy Commissioner, Tumkur district, recognizing the respondent's right to ⅓ths share in the pujari *hak* of the Channigarayaswami temple, a Muzrai institution in the above village.

AND —

Letter No. 875, dated 26th March 1901, from the Deputy Commissioner, Tumkur district, submitting the records connected with the case.

The facts of the case are as follow :—

Thimmaiya and Tirumalaiya were the pujaris of the Channigarayaswami temple in the Gowdagere village, Kunigal taluk. They were doing *puja* in the temple for ten months and two months, respectively, in the year, each enjoying his proportionate share of the inam lands and paying jodi to Government.

On the 5th August 1896, Thimmaiya presented a petition to the Amildar praying that, on the score of his old age, the name of his adopted son Thimmaiya might be registered as pujari and he be allowed to do the work during his turn. The said Thimmaiya also produced the registered Deed of Adoption. At the local enquiry held by the Amildar, the genuineness of adoption was proved. In the meanwhile Thimmaiya (Registerdar) died ; and on his death, the other pujari Tirumalaiya and Venkatamma, wife of the deceased's brother, each claimed ½ share in the puja *hak*, on the ground that Thimmaiya had died heirless and that he had not adopted Rangaiya's son Thimmaiya, as alleged. The Amildar reported the fact and the result of his enquiry to the Deputy Commissioner, who held that the adoption was genuine and decided that the name of Thimmaiya, adopted son of the deceased Thimmaiya, be registered as pujari and allowed to do puja for ten months in the year, as the deceased was doing.

The appellants contend that Thimmaiya's adoption was not properly established and that they are the proper claimants for the share held by the deceased.

No. 374, DATED BANGALORE, 7TH SEPTEMBER 1901.

ORDER THEREON—The order appealed against is correct. The fact of adoption was alleged by the deceased Thimmaiya and is amply borne out by the Deed of Adoption, which is a registered document, and the genuineness of which has been proved by the shanbhog. The petitioner Venkatamma has no *locus standi* and the other petitioner Tirumalaiya is the enjoyer of the *hak* for two months in the year.

The appeal is rejected.

Petition, registered No. 1646, dated 12th May 1895, from one Hajamkonda of Chintamani, praying for the restoration to him of the Bhajantri service inam attached to the Sri Anjaneyaswami temple at Chintamani.

AND—

(3) Docket No 84, dated 25th May 1901, from the Superintendent of Inam Settlements in Mysore, forwarding an extract from the Inam Register relating thereto.

The facts of the case are as follow :—

An extent of seven kudus of land, assessed at Rs. 5-8-0, was originally assigned for Bhajantri service in the Sri Anjaneyaswami temple at Chintamani. During the survey, the lands were given the marginally noted six survey numbers with an extent of 6 acres and 6 guntas and were assessed at Rs. 8-8-0. Of these Survey Nos. 20 and 27 assessed at Rs. 3-4-0 were taken up for opening a gate and constructing a hospital, respectively, and another land, Survey No. 73 assessed at Rs. 3-4-0, was given in lieu thereof. Survey No. 17, measuring 1 acre and 4 guntas, was taken up by the Public Works Department and compensation paid therefor. And Survey Nos. 8 and 26 are still continued as Inamti. The complaint of the petitioner is in respect of Survey No. 21 taken up for the construction of a chattram under the following circumstances. Its Maji Inam number was 67 and it appears that it had been given over by one of the hissedars of the petitioner to one Komarla Ramachandraiya for a brick-kiln. As the land had become unfit for cultivation on account of excavation of earth for making bricks, it was treated by the Survey Department as unculturable waste and no assessment was charged thereon. On the application of one Budan Sab, this land was granted to him in 1890 by the then Deputy Commissioner, for the construction of a chattram at his own cost by filling in the pits, &c. But the owner was not compensated on the score of the land not having been assessed. The petitioner now claims land in exchange for Survey No. 21 granted for the construction of the chattram under the circumstances set forth above.

No. 372-3, DATED BANGALORE, 7TH SEPTEMBER 1901.

ORDER THEREON—The Government observe that it is now too late in the day to do anything for the petitioner as the claim is put forth long after the Survey Settlement, when the land in question was treated as kharab. The result was due also no doubt to the petitioner or his ancestor having given away the land for a brick-kiln which rendered it unculturable. The petition is therefore rejected.

Letter No. 360—292, dated 15th October 1900, from the Deputy Commissioner, Shimoga district, stating that a sum of Rs. 24-13-7 has accrued as interest on the arrears of kandayam due on lands leased to the Mysore-Nagar Gold Mining Company, Limited, up to end of June 1900, in consequence of the late, though regular, payment of kandayam and that the Agent of the Company declines to pay this sum on the ground that arrears of kandayam on the lands have been completely paid up, and soliciting orders as to whether the said interest may be remitted under the instructions contained in Government Proceedings No. 4646-53—Mis. F. 6-90, dated 25th October 1895.

(2) Letter from the Secretary to Government, Geological Department, to the Deputy Commissioner, Shimoga district, enquiring whether a demand notice in the form prescribed in Government Proceedings No. 4646-53—Mis. F. 6-90, dated 25th October 1895, was served on the Company or its Agent and, if so, what was the amount of assessment, the date of the notice and the date of payment of assessment.

(3) Letter No. 473—383, dated 26th November 1900, from the Deputy Commissioner, Shimoga district, stating that no notice appears to have been served on the Company, but that intimation was given to the Agent in the form of a docket embodying therein the particulars of arrears including interest.

ORDER THEREON—The Order of Government No. 4646-53—Mis. F. 6-90 dated 25th October 1895, was a special order issued at a time when large arrears of revenue on lands leased for mining purposes had accumulated and with special reference to those arrears. It was not meant to govern cases of the kind now reported nor to establish a precedent for remission of interest on arrears in ordinary cases.

2. In the present case, however, no notice in the form prescribed in the Government Order quoted by the Deputy Commissioner was served on the Company or its Agent. The omission to do so has not been explained and ought not to have occurred. In view of this fact, the Government are pleased to specially remit the interest in this case, and to direct that in future cases of arrears a proper notice be issued including the amount of interest which has accrued due or is payable, with the arrears of assessment specified in detail in the form annexed hereto, and the arrears with interest thereon recovered in due course.

Correspondence ending with letter No. 1363 (Camp), dated 6th May 1901, from the Deputy Commissioner, Kolar district, requesting the orders of Government on the subject of the arrears of assessment due on the Great Western Reefs Block in the Bowringpet taluk, leased to the late Mr. M. F. Lavelle for mining purposes.

No 176—(S.), DATED BANGALORE, 3RD SEPTEMBER 1901.

ORDER THEREON—In the correspondence above read the Deputy Commissioner of Kolar reports that the assessment on the Great Western Reefs Block has been in arrears since 1886-87, and that the notice of demand issued in accordance with Government Proceedings No. 4646-53—Mis. F. 6-90, dated 25th October 1895, was returned to him unserved on the lessee's legal representatives, who declined to accept it, one of them on the ground that he had not obtained the letters of administration to the estate of the late Mr. M. F. Lavelle in the Mysore Province, and the other on the ground that he was not in a position to do so.

2. The Deputy Commissioner is requested to again issue a notice and call upon the legal representatives of the late Mr. M. F. Lavelle to pay up the arrears of assessment or to show cause why the arrears should not be collected and to report the result for the orders of Government.

Correspondence ending with letter No. 1343, dated 30th April 1901, from the Deputy Commissioner, Kolar district, soliciting instructions about the recovery of arrears of assessment on lands comprised in the northern block leased for mining purposes to the Mysore Concession Company, Limited.

No. 186-7 (S), DATED BANGALORE, 3RD SEPTEMBER 1901.

ORDER THEREON—The lease of this block was surrendered to Government by Messrs. Wilson and Company, Secretaries to the Mysore Concession Company, Limited, on the 12th March 1895. The Government are therefore pleased to direct that the arrears of assessment from that date may be written off the accounts. But there is no reason why the arrears prior to the date of the surrender of the lands should not be paid by Messrs. Wilson and Company. The Deputy Commissioner is accordingly requested to demand the amount and recover it from them.

2. The Government observe that a sum of Rs. 5 has been shown as arrears of assessment against the Company for the year 1888-89, under the following circumstances :—

In connection with the amounts deposited by the Company with the Government for the grant of mining leases there remained a sum of Rs. 2,005 which was held by Government in favor of Messrs. Wilson and Company, and this amount was ordered by Government at Messrs. Wilson and Company's request to be applied towards payment of survey and demarcation charges and assessment on the lands for the year 1886-87, which amounted to Rs. 932-10-7 leaving a balance of Rs. 1,072-5-5 in favor of Messrs. Wilson and Company, which amount was also ordered to be applied for payment of further dues (*vide* Government Proceedings, Chief Secretariat, No. 1726-7—M. F. 286, dated 20th July 1893). Subsequently the Comptroller to the Government of Mysore pointed out that the balance in Messrs. Wilson and Company's favor was only Rs. 1,067-5-5 and not Rs. 1,072-5-5 as stated in the Government Order quoted above, the difference being due to the amount charged by the Bank of Madras for cashing the cheque for Rs. 2,005. Thus a sum of Rs. 5 has been shown to be arrears of assessment for 1888-1889.

3. Under these circumstances the Government are pleased to sanction this sum of Rs. 5 being written off the accounts.

No. 190-1 (S), DATED BANGALORE, 3RD SEPTEMBER 1901.

ORDER THEREON—The assessment on the lands comprised in the above block has been reported to be in arrears from 1896-97. Notices of demand were issued to the Shimoga (Mysore) Syndicate, Limited, (to whom the block was assigned in January 1898) through their duly constituted agent in Bangalore and Mr. Scott, the lessee, was also addressed through the same agent, but the agent has reported that the letters addressed by him were returned to him from the Dead Letter Office with the endorsement "Gone away" and that the solicitors of the Shimoga (Mysore) Syndicate have informed him that the Syndicate have gone into liquidation, and that liquidation has finally closed.

2. Under these circumstances the Government are pleased to direct that the arrears of assessment may be struck off the accounts and the lands resumed.

3. The lease granted to Mr. J. G. Scott is hereby cancelled.
